

## Tournament Players Camp

Designed for serious players who compete in local, regional, or national USTA tournaments, and also those players whose main focus is competing on their school teams. Discipline and hard work are greatly stressed in this program. Players will be directed through 12 hours of drills, matchplay, and a wide variety of point play situations in each weekly camp. This program will deal with on court technique, singles, doubles strategy, footwork and conditioning.

## Competitive Players Camp\*\*

Geared towards younger competitive players ages 7-10 who have a solid foundation in the basic strokes—forehand, backhand, volleys, serve and return of serve. Players currently registered in the Future Stars and Young Players are perfect for this camp. Players will work on improving their skill set, shot selection and footwork through a combination of drills, point play, fun games and competition.
