Teams form in September

Practices offered Fridays 6:30-8:30 pm

USTA Team Tennis provides the opportunity for players ages 6-18, of all skill levels, to participate in a competitive team environment.

USTA Team Tennis is divided up into two seasons, Fall and Winter, with the Fall season beginning in mid-October and the Winter session being completed in early March. The seasons are designed to compliment the high school and middle school playing seasons. Match fees include pizza and pop for every player.

Co-ed teams are comprised of a minimum of six players of similar age and skill, and they compete against other teams from the same geographic region in one of four league divisions: 10, 12, 14 and 18 and under, with both Intermediate and Advanced Levels. Teams have the opportunity to advance to Regional, Sectional and National championships.
