PHYSICAL THERAPY

FULL SERVICE PHYSICAL THERAPY OFFICE

BRAD OPPAT, PT ATC CSCS

State licensed physical therapist. Brad graduated from Oakland University with a master's degree in physical therapy. In addition, he has a bachelor's of science degree with a sports medicine major from Central Michigan University. Furthermore, Brad is a certified athletic trainer by the National Athletic Trainer's Association and a certified strength and conditioning specialist by the National Strength and Conditioning Association. Brad has over 25 years experience treating patients with a variety of orthopedic problems. He has worked in numerous clinical settings including both out and in- patient hospital, out- patient orthopedic, home care and high school athletics. His vast experience and clinical knowledge allows him to apply best practices based on recent research while not ignoring the art of application. His specialized care for individual needs achieves outstanding outcomes resulting in satisfied clientele.
